INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In accordance with the duty of disclosure as set forth in 37 C.F.R. §1.56, this Information Disclosure Statement in connection with the above-identified application is being filed in accordance with 37 C.F.R. §1.97(b) before the mailing date of a first Office Action on the merits.

A copy of documents P through Z listed on the attached Forms PTO/SB/08A and PTO/SB/08B are attached. Documents A through Q are U.S. Patents and copies of these documents have not been included pursuant to the United States Patent and Trademark Office (USPTO) notice published in the Official Gazette on August 5, 2003.

Documents A through O were originally cited by the Patent Examiner in the parent case, U.S. Patent Application No. 09/881,806, which is now U.S. Patent No. 6,675,613. Documents P through Z were submitted by the present Applicant to the USPTO in support of arguments he made during the prosecution of U.S. Patent Application No. 09/881,806.

Therefore, the relevance of Documents A through Z is believed to be clear from the prosecution history of U.S. Patent Application No. 09/881,806. Accordingly, no further comment with regard to the disclosures of these documents is believed to be required.

It is respectfully requested that the attached documents be considered and officially cited, and that a copy of Forms PTO/SB/08A and PTO/SB/08B, be initialed by the Examiner and returned to the undersigned to indicate that the documents have been considered.

It is believed that the present Information Disclosure Statement complies with the requirements of 37 C.F.R. §§ 1.97-8.

Respectfully submitted,

Wesley Scott Ashton
